OBJECTIVE

Driven sport industry professional seeking a full-time position who is passionate to continue personal growth, apply Spanish language skills, and enhance organizational goals surrounding culture and community.

Adaptable and detail-oriented individual with five years of positions within numerous sporting events and sport organizations, both domestic and abroad.

EXPERIENCE

Florida Operations & Education Intern

Minnesota Twins // Fort Myers, FL // January 2020 – Present

Operations: Assist with all operational activity and personnel support based at the training complex in Fort Myers, Florida.

- Revamp organizational methods to improve efficiency for colleagues' duties
- Coordinate lodging and travel for players, scouts and office staff
- Organize internal logistics for mail, apparel and scheduling

Education: Instruct virtual English language lessons and create engagement activities while working to reinforce educational programming.

- Create lesson plans and activities for Latin American staff members seeking personal development through English language acquisition
- Collaborate with educational team to innovate and enhance the support provided for players and staff in education, mental skills and life skills

Brand Partnerships Intern

Minnesota Twins // Minneapolis, MN // January 2019 – November 2019

Ensured business-to-business relationships with organizational partners through in-game promotions, partner events, internal asset performance tracking and more.

- Hired and managed the first employed group of runners to execute the Target sponsored Race at Target Field mascot race
- Conjoined with account representatives to create renewal and prospect presentations for proposals upwards of \$500,000 to \$1 million or more
- Integrated a concert with a world-touring artist and partnership activation within the event flow of a NCAA FCS Division 1 Football game at Target Field
- Completed a Capstone Project designed to improve organizational operations and presented to an executive panel, resulting in a First-Place recognition

Culture Development Intern

Kansas City Royals // Santo Domingo, Dominican Republic // January 2018 – May 2018

Assisted in English language acquisition and United States cultural preparation for Latin American players at the Royals' Dominican Republic development facility.

- Renewed and created improved cultural development resources, such as bilingual instructional videos and digital workbooks
- Revamped internal organizational systems, including all player files and facility paperwork
